However, your co-insurance is required at the time of the service, there will be no exceptions. If you do not have insurance the full balance is due at time of service, we do not offer any in-house payment plans, although you can ask our staff about Care Credit. If payment is not recieved from your insurance company within 60 days, it will then be your responsibility to pay the remaining balance in full. Contact your insurance, so that you may be reimbursed by your insurance company. After 90 days of no payment, you will then be turned over to collections.
